We look forward to long term cooperation with your esteemed corporation!

Yours Sincerely

**Chairman**  
*(Signed)*

## » Company information

**WINPOWER Electrical Mechanical Joint Stock Company** was established in 2007, under the name Thanh Generator. We are a prominent generator manufacturer based in Vietnam. Our Winpower generators range from 5 to 3000kVA and are highly trusted by domestic customers and exported to neighboring countries. We ensure the quality of Winpower generators through strict adherence to standards such as CE, ISO 9001:2015, ISO 14001:2015. Engines and generators are imported from renowned manufacturers such as: Baudouin, Cummins, Mitsubishi, Doosan, Vman, Stamford, Mecc Alte, Crompton...

In 2023, we renamed the company to **WINPOWER**. The strong transformation towards multidisciplinary development promises to affirm professionalism, satisfaction, prestige and quality.
